This follows up my phone call about an hour ago (646-386-3500), which was answered by Natalie, who stated she was "not at liberty" to give me her last name – and, as I recollect, her title.

As discussed, I have received no response to my below February 1, 2024 e-mail to you, inquiring as to the status of my above-attached October 25, 2023 complaint to you, to which I had received no response.

Please let me hear from you by the end of the day about this.

Thank you.

**TO: Unified Court System Inspector General Porter Campbell**

Notwithstanding your complaint form states, at the top:

“Following receipt of your complaint, you will be contacted by a member of our staff responsible for investigating your complaint”,

I have no record of having been contacted, after sending you my above-attached complaint form by the below October 25, 2023 e-mail. Did you or your staff contact me? And if not, why not? What is the

status of my October 25, 2023 complaint against "corrupt attorney staff of the Appellate Division, Fourth Department" within your jurisdiction, *to wit*,

- (1) AD-4 Deputy Clerk Alan Ross;
- (2) AD-4 Clerk Ann Dillon Flynn;
- (3) AD-4 Principal Appellate Court Attorney Adam Oshrin;
- (4) AD-4 Attorneys for Children Program Director Linda Kostin;
- (5) AD-4 Attorneys for Children Program Deputy Director Jennifer McLaren.

Will you be referring them to the Appellate Division, Fourth Department Attorney Grievance Committee for discipline, or must I do that independently?

Please promptly advise so that I may be guided accordingly.

Thank you.

Above-attached & [here linked](#) is my “Corruption Complaint against Judges, Government-Attorneys, & Government-Retained Attorneys Arising from a Fraudulent, Culturally-Biased Child Abuse/Neglect Petition against Innocent Parents”. Its “Conclusion” (at p. 29) reads:

“The foregoing long-overdue complaint is being furnished, additionally, to the Commission on Legislative, Judicial and Executive Compensation, before which I testified on October 13, 2023, handing up a copy of the [Independent Expert Report](#), in substantiation of my testimony as to the corruption infesting the judiciary – a threshold, ‘appropriate factor’ of constitutional dimension that it is statutorily-required to ‘take into account’. My words were as follows ([VIDEO, at 2hrs/45mins](#)):

‘Lastly, I don’t want you to believe that the corruption infesting the judiciary is only in cases of magnitude such as the cases that I have here presented. I have a, a independent report that I wrote about a Family Court case out of Monroe County, a mother called me in distress because her child had been taken away from her. And she begged me to assist her. Without charge, I, I examined the record -- and I wrote a report that was furnished, it’s a sealed file. I think you should take a look at what goes on, and you should know this is only the first piece of it. But the corruption involving this report at the Family Court level, at the Appellate Division Fourth Department from which you come, Chair Fahey, you need to take testimony. You have subpoena power. You need to – you need to examine the corruption in the judiciary –’

The only correction I would make is to add a reference to the corresponding corruption in the Monroe County Supreme Court pertaining to the Independent Expert Report.

As [the Commission on Legislative, Judicial and Executive Compensation’s enabling statute requires you to assist the Commission, upon its request](#),<sup>fn3</sup> perhaps that is the most expeditious way for it to proceed – requesting that you furnish it with the results of the investigation that is your duty to make with respect to this fully-documented, facially-meritorious complaint.”

I am available to assist you, to the max, in investigating this complaint – and would welcome giving testimony under oath. I know the innocent parents feel likewise.

Meantime, CJA's webpage for the complaint – which cannot otherwise be accessed, out of respect for the parents' privacy – can be reached by this link: <https://www.judgewatch.org/web-pages/searching-nys/cjc/complaint-oct-25-23.htm>.
