Dear Mr. Eggleston:

Following up my attempts on Friday, January 2, 2015 to reach you or other counsel involved in the President’s cabinet level nominations – including a voice mail message left with the Office of Intergovernmental Affairs – enclosed is the Center for Judicial Accountability’s self-explanatory letter to the President.

I am available to answer your questions and to otherwise assist with your preliminary review, so that no time is wasted in furnishing the letter to the President.

Thank you.
