Dear Requester:

According to our records, the Executive Office for United States Attorneys received a Freedom of Information Act/Privacy Act request from you on the above date. When we acknowledged receipt of your request, we advised you that it had been placed on a list of requests awaiting processing and that there would be a substantial delay in receiving the material due to the large volume of requests that had been received.

As we reach the older requests for processing, we have found that many requesters are no longer interested in the material. Therefore, to allow a more timely response to requests from persons who are still interested in the records, we are attempting to identify those requesters who are no longer interested in receiving a response to their request.

Please check the appropriate box below to indicate whether you desire to keep your request on our chronological list for eventual processing. Sign and return this letter to the address above. If we do not receive a response within 30 days from the date of this letter we will assume you are no longer interested and close the file accordingly.

Sincerely,
Marie A. O'Rourke
