Subject: What is the meaning of your e-mail? RE: Queries on Federal Judicial Discipline

Dear Mr. Singer:

I haven't a clue as to what you mean by "The Sassowers again!..."

To my knowledge, I am the only "Sassower" that has communicated with the Institute for the Advancement of the American Legal System. Those several prior communications, like this one, have been completely proper.

Please clarify what you are talking about – and furnish the information reasonably-requested by my e-mail. Or do you disagree that it is reasonably requested?

Thank you.

The Sassowers again! I don't think we should even respond – I'll bet they have sent the same letter to every organization on the planet.
