**Subject:** The Reform Party's Endorsement of Larry Zacaese for Suffolk County Sheriff -- & a Test of that Endorsement, ETC.

Dear Carl –

The MUST-READ May 22<sup>nd</sup> article by Greg Blass entitled, ***“The fix is in: Party bosses, not voters, decide who will be Suffolk County’s next district attorney and sheriff”***, which appeared in the [Riverhead Local](http://riverheadlocal.com), is here: <https://riverheadlocal.com/2017/05/22/greg-blass-fix-party-bosses-not-voters-decide-will-suffolk-countys-next-district-attorney-sheriff/>.

The Suffolk County party bosses are colluding to install NYS Senator Phil Boyle as Suffolk County sheriff. In addition to the Republican line, he has the Conservative and Independence party lines. Running against him, in the Republican primary on September 12<sup>th</sup>, is Larry Zacaese, who, unlike Boyle, is seemingly NOT a party hack, has law enforcement credentials, and, for that reason, was endorsed by the Reform Party. Here’s the release about the Reform Party’s endorsement, quoting Curtis, which is posted on Zacaese’s campaign website: <http://www.zacaeseforsheriff.com/zacaese-receives-reform-party-endorsement>.

Why did Curtis not combine his rally appearance in Suffolk County, on Sunday, August 27<sup>th</sup> for would-be Suffolk County D.A. Perini, with an appearance for would-be Suffolk County Sheriff Zacaese to boost his chance in the upcoming Republican primary against Boyle?

If the Reform Party’s two lawyer members of its Executive Committee reviewed the CASEFILE EVIDENCE supporting my August 10<sup>th</sup> OPEN LETTER, they would know – and could have told Curtis – that it NOT only brings down NYS Senator Latimer for corruption – but NYS Senator Boyle, as well. Indeed, unlike Latimer, Boyle is a member of a great many of the Senate committees about which I testified at the Legislature’s January 30, 2017 budget hearing as responsible for the fraud and larceny of the public fisc pertaining to the judicial pay raises and district attorney pay raises: the Senate Judiciary Committee; the Senate Codes Committee; the Senate Committee on Local Government; and the Senate Finance Committee. The webpage posting the video of my January 30, 2017 testimony is here: <http://www.judgewatch.org/web-pages/searching-nys/2017-legislature/budget-hearings.htm>. My follow-up February 6, 2017 letter about my testimony to Senate leadership, sent to the chairs and ranking members of ALL the pertinent committees of which Boyle is a member and the co-chairs of the sham Administrative Regulations Review Commission, of which Boyle is a member, is here: <http://www.judgewatch.org/web-pages/searching-nys/2017-legislature/budget-hearings.htm>.

Just as the Reform Party should expect that its D.A. candidate Perini will confront this CASEFILE EVIDENCE and “blow the whistle” on the fraudulent D.A. salaries, which, if elected, he would pocket – a proposal I made by my below August 27<sup>th</sup> e-mail – so the Reform Party should expect that its Sheriff candidate Zacaese, a lawyer, will “blow the whistle” on what boss-favored Sheriff candidate Boyle has been doing, in the Senate, as a member of committees that have REFUSED to safeguard the public from the EVIDENCE furnished to them of the fraudulent D.A. pay raises, fraudulent judicial pay raises, and on the mass of systemic corruption chronicled by the lawsuit, culminating in the whole of the \$160-plus billion dollar slush fund state budget. Will these two Reform-Party endorsed lawyer-candidates “whistle-blow” – and

win for themselves the elected offices they seek as TRULY principled, Reform Party candidates? Here's the DIRECT LINK TO THE CASFILE EVIDENCE of CJA's unfolding citizen-taxpayer lawsuit against Governor Cuomo, Attorney General Schneiderman, Comptroller DiNapoli, Chief Judge DiFiore, and the Legislature – Boyle and Latimer among them: <http://www.judgewatch.org/web-pages/searching-nys/budget/citizen-taxpayer-action/2nd/menu-2nd-citizen-taxpayer-action.htm>.

Carl, I am sending this ~~to~~ e-mail to Curtis – and to Messrs. Mari, Luthmann, and Morano, who, apparently, have been misleading him as to the electorally-explosive, good-government significance of my August 10<sup>th</sup> OPEN LETTER – if, as it seems and as you stated to me with respect to Mr. Morano, they are counseling Curtis to just ignore the OPEN LETTER, as likewise, my repeated entreaties for a meeting with him to prove EVERYTHING it says. Such meeting must be held, as soon as possible – and I will willingly travel to such location as is most convenient for Curtis – hopefully one which will, at least, have a telephone hook-up for ALL members of the Reform Party's Executive Committee. None should be “in the dark” about what is before the Reform Party – and the turning-point it represents for the party – and the long-suffering People of the State of New York.

Thank you, Carl.

**Subject: Is Ray Perini -- the Republican Party's Candidate for Suffolk Co. District Attorney -- Worthy of the Reform Party's Endorsement?**

Dear Carl,

This follows up our phone conversation earlier this afternoon regarding your below e-mail promoting Curtis Sliwa's appearance at a rally today in Huntington on behalf of Ray Perini, the Republican party's candidate for Suffolk County district attorney – to whom the Reform Party has conferred its endorsement. Please arrange a meeting for me to meet with Curtis to discuss Reform Party endorsements, AS SOON AS POSSIBLE.

Has Curtis read my August 10, 2017 OPEN LETTER to him – and viewed the VIDEO of my testimony before the Legislature on January 30<sup>th</sup> at its budget hearing at which I testified at length about district attorneys – and their salaries. If Curtis believes that Mr. Perini is a straight-shooting, honest candidate, willing to expose and prosecute government corruption, let him put Mr. Perini to the test. Will he “blow the whistle” on the statutorily-violative and fraudulent commission reports that have bumped up district attorney salaries by nearly \$60,000 a year since 2012 and that will raise them another \$10,000 next year?

Attached is my August 10<sup>th</sup> OPEN LETTER to Curtis, to which I am awaiting his response. CJA's webpage for the OPEN LETTER, with the referred-to substantiating proof, including the VIDEO of my January 30<sup>th</sup> testimony, is here: <http://www.judgewatch.org/web-pages/elections/2017/8-10-17-open-ltr.htm>. The direct link to CJA's webpage for the January 30<sup>th</sup> VIDEO is here: <http://www.judgewatch.org/web-pages/searching-nys/2017-legislature/budget-hearings.htm>.

I am available to meet with Curtis, at his convenience, at a location of his choosing – and preferably including members of the Reform Party's Executive Board. Most important would be the Executive Board's attorney members: Second Vice-

Chair Matthew Mari and Law Chair Richard Luthmann, each recipients of my August 10<sup>th</sup> OPEN LETTER, who, *by now*, should have EACH furnished Curtis – and every other member of the Reform Party’s Executive Board -- with their findings of fact and conclusions of law with respect to each of the ten causes of action in CJA’s citizen-taxpayer action about which I testified on January 30<sup>th</sup> and whose explosive election-changing significance for 2017 and 2018 I highlighted by my August 10<sup>th</sup> OPEN LETTER. Have they done so? And what has been the response of Executive Board Secretary Frank Morano, also a recipient of my August 10<sup>th</sup> OPEN LETTER.

Thank you, Carl.
