Subject: Bravo to the Westchester Business Council for its Hosting of the Oct 10th Debate between the Westchester County Executive Candidates
Attachments: 8-10-17-open-ltr.pdf

TO: John Ravitz/Executive Vice-President and Chief Operating Officer of the Business Council of Westchester

This follows my brief phone conversation with you a short time ago. As you concurred that the Westchester Business Council considers the Westchester county budget to be among the most important tasks of the Westchester county executive, attached is my August 10, 2017 OPEN LETTER reciting Senator Latimer's facilitating role in the larcenous, slush-fund New York State budget – directly impacting upon Westchester taxpayers and upon the Westchester county budget – as to which Westchester County Executive Astorino has had knowledge since January 2014. The OPEN LETTER was sent to New York's eight "recognized" political parties and to Senator Latimer, to County Executive Astorino, and to then County Executive Candidate Ken Jenkins by the below August 10, 2017 e-mail. There has been no response from them. None have denied its accuracy in any respect – and you can verify, for yourself, the EVIDENTIARY PROOF substantiating the OPEN LETTER as it is all posted and/or accessible from the Center for Judicial Accountability's webpage for the OPEN LETTER, here: <http://www.judgewatch.org/web-pages/elections/2017/8-10-17-open-ltr.htm>.

I again commend the Westchester Business Council for hosting the October 10th debate between Westchester County Executive Candidates Latimer and Astorino – the first – and thus far the only – scheduled debate between them.

While writing this e-mail, I received a return call from your debate moderator, Lee Miringoff, for whom I had left a phone message earlier -- and with whom I have now spoken at fair length about the August 10, 2017 OPEN LETTER. It was a great privilege to have spoken with Dr. Miringoff, as he is not only the Director of the Marist Institute for Public Opinion, but, more importantly, an associate professor of political science at Marist College. There is an EXIGENT need for scholarship about the systemic corruption that infests our state government – aided and abetted by a conflicted, dishonest, and lazy press, which rigs the polls by its reporting, non-reporting, and materially false and misleading editorializing. By copy of this e-mail to Dr. Miringoff, I respectfully request his assistance in building scholarship on the August 10, 2017 OPEN LETTER – and the mountain of EVIDENTIARY PROOF substantiating it (beginning with the VIDEOS of my testimony at the Legislature's budget hearings), as to which there has been NO MEDIA REPORT: <http://www.judgewatch.org/web-pages/elections/2017/westchester/press-outreach.htm> – so that, at long last, the long-suffering People of the State of New York can protect themselves from unworthy incumbents, who are perpetrators of the very governmental corruption they rhetorically decry.

I am available to answer your questions – and Dr. Miringoff's – throughout the weekend and holiday, including during night time hours.

To enable Candidates Latimer and Astorino to prepare themselves for appropriate debate questions concerning the specific facts recited by my August 10, 2017 OPEN LETTER – including from each other -- I am cc'ing them on this e-mail. Should you or Dr. Miringoff have a more direct/personal e-mail for either candidate, I would welcome your forwarding it *via* such e-mail address.

Thank you.

I am available to answer questions, under oath, and to assist you to the max, toward what should be our common goal of open, honest, fiscally-responsible, responsive, and accountable government, such as we do NOT remotely have on the state level... You can change that!
