Subject: Has Stephanie Miner informed NYPAN that CUOMO CAN BE EASILY DEFEATED -- & WITHOUT MONEY -- by a scandal that will achieve non-partisan, ANTI-CORRUPTION, good-gov't reforms for the benefit of NY's 99%
Attachments: 12-29-17-email-to-miner.pdf; 8-10-17-open-ltr.pdf

TO: New York Progressive Action Network –

Have you heard from Stephanie Miner as to whether she intends to run against Cuomo for the Democratic nomination for governor?

According to Carl Campanile's September 19, 2017 New York Post article "*Syracuse mayor may challenge Cuomo in the primary*", <https://nypost.com/2017/09/19/syracuse-mayor-may-challenge-cuomo-in-primary/>, the link to which is on your website, <http://nypan.org/>, as "Recent Posts", you are seeking "an alternative to Cuomo" and met with Ms. Miner to discuss her candidacy.

Mr. Campanile's September 19, 2017 article went on to state: "Challenging incumbent Cuomo in a Democratic primary would be a difficult task. He has a \$26 million war chest. And a Siena College poll released earlier this month found that 69 percent of Democrats have a favorable view of Cuomo, as do 71 percent of liberals". These figures were updated, last week, by The New York Times. In a January 17, 2018 article entitled "*Cuomo Amasses \$30 Million War Chest*", Times chief metro political correspondent Shane Goldmacher reported just-released poll figures giving Cuomo "a 62 percent favorability rating, and the backing of 76 percent of Democrats and 41 percent of Republicans".

Below is the e-mail I sent to Mr. Goldmacher on January 17, 2018 about his article. It recites HOW easy it is for ANY candidate to defeat Cuomo – and WITHOUT MONEY – simply by "whistle-blowing" on the OPEN-AND-SHUT, *prima facie* EVIDENCE of his "grand larceny of the public fisc" and other corruption, laid out in a citizen-taxpayer action to which he is the FIRST named defendant. It also raises questions about the belated January 1, 2018 withdrawal from the race for the Republican gubernatorial nomination of then Republican favorite Harry Wilson, to whom, nearly 3-1/2 months earlier, I had sent a September 20, 2017 e-mail, alerting him to this OPEN-AND-SHUT, *prima facie* EVIDENCE to facilitate his run for the Republican nomination.

On December 29, 2017, to facilitate Ms. Miner's run for the Democratic gubernatorial nomination, I forwarded her the same September 20, 2017 e-mail as I had sent to Harry Wilson – adding further particulars to enable her to even more EXPEDITIOUSLY verify the explosive nature of the EVIDENCE – and not only as to Cuomo, but as to his co-defendants in the citizen-taxpayer action: Attorney General Schneiderman, Comptroller DiNapoli, and the 213 members of the state Senate and Assembly, including, specifically, declared Republican gubernatorial candidate Assembly Minority Leader Brian Kolb and prospective Republican gubernatorial candidate Senate Deputy Majority Leader DeFrancisco. I stated:

“...your gubernatorial win will NOT require any huge campaign war chest – or, for that matter, significant campaign spending. Indeed, it will require nothing more than that you call a press conference and otherwise use the ‘bully pulpit’ that will be yours as a gubernatorial candidate to **‘blow the whistle’ LOUD and CLEAR on what the verified pleadings and litigation record in the citizen-taxpayer action DOCUMENTARILY establish – and which, as an attorney, you well know how to read** – namely that defendants Cuomo, Kolb, and DeFrancisco – and a large swathe of other defendants up for re-election in 2018 – MUST be indicted for public corruption, including ‘grand larceny of the public fisc’ with respect to the statutorily-violative, fraudulent, and unconstitutional judicial and district attorney salary increases that, since April 1, 2012, have stolen from New York taxpayers approximately \$300 million – and which is currently jumping by more than \$60 million yearly. Once you do so, you will NOT only earn the gratitude and votes from New Yorkers of all political stripes, but you will demonstrate how actually SIMPLE it is to ‘drain the swamp’ and END the ‘culture of corruption’ that has plagued the state government. All it takes is HONESTY and confronting EVIDENCE, without which NO candidate or incumbent is fit for ANY office of public trust.” (bold and capitalization in the original).

I received no response from Ms. Miner.

In the event Ms. Miner did not share with you my December 29, 2017 e-mail so that -- *if she was not planning to run* -- NYPAN could **IMMEDIATELY** solicit “an alternative to Cuomo” and, additionally, put out an “all points bulletin” for progressive, CORRUPTION-FREE candidates to run for attorney general, comptroller, and EVERY senate and assembly seat – ALL of whose incumbents would face indictment by the EVIDENCE my e-mail to her had furnished -- you can read it, IN FULL, from the webpage I created for Ms. Miner’s hoped-for gubernatorial candidacy – and there examine the referred-to posted and linked EVIDENCE: <http://www.judgewatch.org/web-pages/elections/challengers/stephanie-miner.htm> – whose **explosive electoral significance you can yourselves verify, *within minutes*** – indeed, **just from viewing the VIDEOS identified by the December 29, 2017 e-mail and posted on the webpage.**

Presumably, you have – or can obtain – a direct e-mail for Ms. Miner – and I would appreciate your forwarding this e-mail to her so that she can respond as to what her examination of the EVIDENCE furnished by my December 29, 2017 e-mail to her revealed, including as to its potential **to achieve, in one fell swoop and virtually overnight, non-partisan, ANTI-CORRUPTION, good-government reforms that will benefit New York’s “99%” whose interests NYPAN espouses:** <https://www.facebook.com/events/1914530592196289/>; (“*Left-wing activists plan protests outside Cuomo’s fundraiser*”, NY Post, November 29, 2017, Carl Campanile, <https://nypost.com/2017/11/29/left-wing-activists-plan-protest-outside-cuomos-fundraiser/>). Chief among these reforms, as relates to Governor Cuomo, is ENDING his behind-closed-doors three-men-in-a-room style of governance.

For Ms. Miner’s further convenience – and yours – the EVIDENCE pertaining to Governor Cuomo and embodied in corruption complaints that criminal prosecutorial authorities and JCOPE have been “sitting on” since 2013 -- is also showcased on CJA’s webpage for incumbent/defendant Cuomo and his 2018 re-election. Here it is, directly: <http://www.judgewatch.org/web-pages/elections/2018/cuomo.htm>.

Thank you.

Subject: The "slow to develop" race for governor -- Your today's article "Cuomo Amasses \$30 Million War Chest"

TO: Shane Goldmacher/New York Times Chief Metro Political Correspondent

Your today's article "*Cuomo Amasses \$30 Million War Chest*" states that "the governor's race has been slow to develop". You attribute this to Cuomo's huge funding that "has helped him scare away serious rivals in his bid for a third term" – on top of which are his favorable poll ratings, which you also report. In your words, "The combination of Mr. Cuomo's cash and polling strength has proved daunting for would-be challengers."

Yet, IF a challenger had *prima facie* EVIDENCE of a serious and substantial corruption scandal directly involving Cuomo, his \$30 million war chest would be of no avail – likewise his poll ratings. Cuomo could be knocked out for re-election as governor well before the party conventions in May – and the race would be WIDE OPEN. And how much money would a challenger require to vanquish Cuomo? None! All a challenger needs is the "bully pulpit" of candidacy to call a press conference and demand criminal investigation and Cuomo's response. Wouldn't the "watchdog" press do the rest?

On this very topic is my below yesterday's e-mail to Republican gubernatorial challenger Joel Giambra, entitled "Knocking out Cuomo requires NO MONEY & NO PARTY BACKING -- & can be done IMMEDIATELY from the 'Bully Pulpit' of your candidacy". Beneath it is a chain of e-mails including to Republican Party Chair Ed Cox, and Republican staffers and county chairs, and my September 20, 2017 e-mail to then-Republican prospective challenger Harry Wilson. From their links you can readily verify the *prima facie* EVIDENCE of Cuomo's corruption, not only bringing him down, but Attorney General Schneiderman, Comptroller DiNapoli – and virtually every legislative incumbent, Democratic and Republican both – all of whose races become competitive.

Time is of the essence. No need to wait for challenger Giambra's press conference. Get started NOW with a Times investigation by watching the VIDEO of my 10-minute testimony at the Legislature's February 6, 2013 budget hearing. What were Governor Cuomo's findings of fact and conclusions of law with respect to the October 27, 2011 opposition report, addressed to him, that I had hand-delivered to his office so that he could take steps to protect the public. The ONLY findings of fact and conclusions of law that were possible suffice for indicting him, Schneiderman, DiNapoli and scores of legislators with "grand larceny of the public fisc" and other corruption. The link to CJA's webpage with the VIDEO and October 27, 2011 opposition report is here: <http://www.judgewatch.org/web-pages/elections/2017/feb-6-2013-testimony-evidence.htm>.

I am available to assist you, to the max.

Thank you.

Subject: Knocking out Cuomo requires NO MONEY & NO PARTY BACKING -- & can be done IMMEDIATELY from the "BULLY PULPIT" of your candidacy

TO: Gubernatorial Candidate Joel Giambra –

Thank you for giving me the opportunity to speak with you this morning and to give you a brief tour of CJA's website, www.judgewatch.org. As I showed you, the webpages accessible from our homepage links: "OUSTING CORRUPT & COLLUSIVE INCUMBENTS & Ending Their Road to Re-Election & Higher Office – WITH EVIDENCE" and "CJA's Citizen-Taxpayer Actions to End NYS' Corrupt Budget 'Process' and Unconstitutional 'Three-Men-in-a-Room' Governance" post EVIDENCE that will enable you to EASILY – and without ANY money or party backing – knock CUOMO out of the race – and, simultaneously, SCHNEIDERMAN, DiNAPOLI, and a HUGE swath of legislative incumbents, KOLB and DeFRANCISCO among them.

Indeed, the EVIDENCE requires that all these incumbent public officers be indicted for "grand larceny of the public fisc" and other corruption. This should be the subject of a press conference, by you, as a candidate – with a call for investigation by the prosecutorial authorities that have been "sitting on corruption complaints" against them, for years, *to wit*, the U.S. Attorneys for the Southern, Eastern, and Northern Districts of New York, and the Albany County District Attorney -- perhaps also announcing the formation of a new party – the ANTI-CORRUPTION PARTY – with a public solicitation for STRONG candidates for attorney general, comptroller, and for legislative seats – candidates who will demand that the incumbents account for what is chronicled by the citizen-taxpayer action lawsuit to which they are ALL defendants.

As I stated to you, the Republican party needs YOU more than you need it. Quite simply, in this "Excelsior State", it has NO ONE to run against SCHNEIDERMAN and DiNAPOLI – and, excepting KOLB, who, in addition to being corrupt, is incompetent and ineffectual, no one to run against CUOMO. If you are willing to "drain the swamp" of the corruption that is EVIDENCED by the citizen-taxpayer action, you are the Republican Party's rightful standard-bearer under a Trump presidency.

Below is my yesterday's e-mail to Daily News political reporter Ken Lovett – to which the Republican Party was an indicated recipient, as likewise Harry Wilson. Although the e-mail is posted on the webpage for Harry Wilson that I showed you: <http://www.judgewatch.org/web-pages/elections/challengers/harry-wilson.htm>, it will be more convenient for you to review it by this e-mail, since all the referred-to links are live.

I am available to assist you, to the max – and you should feel free to call me anytime. Meantime, I have created a webpage for you, as part of the "Testing the 2018 Challengers" series of webpages that you saw. The direct link to the "2018 Challengers", now including your name, is here: <http://www.judgewatch.org/web-pages/elections/challengers/testing-incumbent-challengers.htm>.

Subject: THE MISSING BACKSTORY to your today's story on the Jan 10th GOP strategy meeting: The corruption "right at (Cuomo's) doorstep"

TO: Ken Lovett/New York Daily News

This follows our brief phone conversation earlier this afternoon – itself following the voice mail message I left for Manhattan GOP Chair Andrea Catsimatidis (212)-517-8444, occasioned by your today's story about the meeting she held on Wednesday, January 10th, "with more than 15 GOP operatives", to pursue a strategy of "focusing relentlessly on the issue of corruption when challenging Cuomo this year": <http://www.nydailynews.com/news/politics/lovet-retail-union-offers-endorsement-cuomo-re-election-article-1.3757408>.

Below is the e-mail I sent on Monday January 8th to Chair Catsimatidis and other GOP county chairs, as well as to State GOP Chair Ed Cox and party staff. Did GOP Chair Catsimatidis NOT receive it? How about the other "more than 15

GOP operatives” at the January 10th meeting? Was this January 8th e-mail NOT on the agenda of the January 10th meeting – if NOT the very reason the meeting was called? And what was done to verify its truth, *to wit*, that the Republican Party could “EASILY DEFEAT CUOMO, et al. -- & at NO COST”?

Presumably, your sources for your story were the “New York Republican consultants” – and, in particular, “Consultant O’Brien Murray” who “attended the meeting”. They appear NOT to have told you about my January 8th e-mail, including because Mr. Murray refers to the corruption issue as being “right at (Cuomo’s) doorstep”. That is NOT correct. **The corruption particularized by my January 8th e-mail involves CUOMO, directly – as likewise, SCHNEIDERMAN, DiNAPOLI – the three statewide Democrats against whom the Republican Party is struggling to field candidates. Not a cent of campaign monies is required to bring them down politically – and to secure their indictment for “grand larceny of the public fisc” – than for a Republican candidate to hold a press conference and demand their findings of fact and conclusions of law with respect to CJA’s October 27, 2011 opposition report, about which I testified at the Legislature’s February 6, 2013 budget hearing before then Senate Finance Committee Chairman John DeFrancisco – the VIDEO of which is here: <http://www.judgewatch.org/web-pages/elections/2017/feb-6-2013-testimony-evidence.htm>.**

By the way, here’s the webpage I have created for CUOMO, SCHNEIDERMAN, and DiNAPOLI – each named defendants in CJA’s citizen-taxpayer action, suing them for corruption with respect to the state budget, whose origin is the judicial and district attorney salary increases that, since April 1, 2012, have stolen from taxpayers approximately \$300 million dollars:

CUOMO: <http://www.judgewatch.org/web-pages/elections/2018/cuomo.htm>

SCHNEIDERMAN: <http://www.judgewatch.org/web-pages/elections/2018/schneiderman.htm>

DiNAPOLI: <http://www.judgewatch.org/web-pages/elections/2018/dinapoli.htm> .

These links are now accessible from CJA’s webpage for former Republican gubernatorial contender Harry Wilson: <http://www.judgewatch.org/web-pages/elections/challengers/harry-wilson.htm> -- from whom I have heard nothing in response to the January 8th e-mail, which I sent him, expressly, for response. Surely, Daily News readers would be interested in knowing whether the Republican Party received any response from Mr. Wilson – and, if none, why it didn’t demand one of him. Or does GOP Chair Cox, the county chairs, and other GOP operatives think they were well-served by Mr. Wilson’s leading them on for so many, many months about his intentions, until January 1st, when he bowed out by his ridiculous and dissembling Facebook post.

Thank you.

Subject: Alert to NYS Republican Party: YOU CAN EASILY DEFEAT CUOMO, et al. -- & AT NO COST

TO: NYS REPUBLICAN PARTY CHAIRMAN ED COX --

This morning's Politico bulletin began as follows:

“The words we heard from Republican leaders, operatives and apparatchiks this weekend were stark: ‘panic, ‘desperate,’ and ‘depressing.’ NYGOP Chairman Ed Cox will [convene his chiefs at the Fort Orange Club this morning](#) to hear out the three remaining men seeking to challenge Gov. Andrew Cuomo and lead the 2018 ticket and, perhaps, brainstorm ideas for down-ballot contests. ‘I think everything's got to be on the table,’ Erie County GOP chairman Nick Langworthy said.

Thus far, the stories about the GOP ticket are the names not on the table. [First it was Harry Wilson](#), the business adviser from Westchester, who was regarded as the party's best horse in no small part because he was willing to put up \$10 million of his own money. (Cuomo, next week, is expected to declare he has about \$30 million.) Then Dutchess County Executive Marc Molinaro, too, [waved off last week](#). Even as New York Republicans rise in Washington - there's Donald Trump, and people like Rep. Chris Collins of suburban Buffalo who are [grabbing onto his star](#) - they're struggling in New York.

'The truth of the matter is, it's very late,' said strategist Susan Del Percio. 'Anyone who is interested, unless they're extremely well-funded, needed to start running a year ago to raise money, get their name out there and raise awareness. And in this current environment, having President Trump in charge will scare away a lot of people - just look at the county executive races in Westchester and Nassau counties.'

We'll see if Cox, by this afternoon, will have some news and some names." (bold in original).

It plainly appears from this, from news articles, and from Harry Wilson's January 1st Facebook post, announcing his decision not to run for governor – and his reasons why -- that you and the State Republican Party you lead are unaware of my below September 20, 2017 e-mail to Mr. Wilson, detailing how EASILY Cuomo and his fellow democratic statewide incumbents, Attorney General Schneiderman and Comptroller DiNapoli, can be defeated – and at NO COST – and that two candidates that the Republican Party should NOT be considering are Assembly Minority Leader Brian Kolb and Senate Deputy Minority Leader John DiFrancisco. Did Mr. Wilson NOT share it with you – and discuss what steps he took to verify its accuracy?

For immediate purposes – and so that you can understand how easy it was for Mr. Wilson to verify the TRUTH of my September 20th e-mail to him -- here's the link to the webpage of my testimony before Senator DiFrancisco at the Legislature's February 6, 2013 budget hearing, calling upon him to secure from Governor Cuomo, from Attorney General Schneiderman, and from Comptroller DiNapoli, among others, their findings of fact and conclusions of law with respect to the October 27, 2011 opposition report I handed up to him: <http://www.judgewatch.org/web-pages/elections/2017/feb-6-2013-testimony-evidence.htm>. And what were Senator DiFrancisco's findings of fact and conclusions of law, with respect thereto – and Assembly Leader Kolb's, whose knowledge of the October 27, 2011 opposition report preceded Senator DiFrancisco's. You are a lawyer – and such findings of fact and conclusions of law as you yourself can readily make should suffice for you to recognize that the public officers involved – from Governor Cuomo on down – must be indicted for corruption whose cost, with respect to the statutorily-violative, fraudulent, and unconstitutional judicial and district attorney salary increases that were the subject of the October 27, 2011 opposition report, has been, to date, approximately \$300 million dollars, stolen from the taxpayers – a figure that presently increases by about \$60 million each year.

I have called Mr. Wilson's office this morning (914-623-8211), asking whether he shared my September 20th e-mail with you and what steps he took to verify its truth. The message I left was with his assistant Elena Milano, who confirmed for me – as she had previously – that she had furnished my September 20th e-mail to Mr. Wilson. I told her that I would now send the September 20th e-mail on to you and would cc her on the transmittal so that she could forward it on to Mr. Wilson for response.

Following that call, I telephoned the Albany headquarters of the State Republican Party (518-462-2601), gave a brief message to your administrative assistant, Deborah Smith, who assured me that she would forward this e-mail on to you, without delay.

I am available to speak with you directly – and to assist you, to the max, in securing what I believed Mr. Wilson was well-positioned to achieve: a "constitutionally-functioning, fiscally-accountable government to New York State".

For the convenience of all, including the press to whom I will be forwarding this e-mail, the e-mail will be posted on the webpage I had created, but not publicized, for Mr. Wilson's candidacy, accessible from the Center for Judicial Accountability's prominent homepage link: **"OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their Road to Re-**

Election & Higher Office in 2017, 2018, & Beyond – WITH EVIDENCE”. The direct link is here:

Subject: Winning the Governor's Race -- & Bringing Constitutionally-Functioning, Fiscally-Accountable Government to New York State

TO: Harry Wilson/Potential Candidate for New York State Governor –

This follows up my phone conversation earlier this afternoon with your assistant, Elena Milano, thanking you for your civic activism and willingness to undertake a public contest to be New York's next governor, facing off, most probably, against incumbent Governor Andrew Cuomo. We need someone like you, with the independence, born of substantial financial means, to clean up the boundless corruption that pervades all three branches of New York State government, in which BOTH parties – Democratic and Republican – are utterly collusive and whose gushing source and motivator is the 160-plus billion-dollar slush-fund New York State budget.

News reports indicate that you are willing to devote substantial amounts of your own money to fund your gubernatorial campaign. That is not necessary. All you need to catapult yourself as a candidate – indeed, a WINNING candidate – and galvanize support from voters of all political parties -- is to use the bully-pulpit that is your name recognition, most importantly, as the formidable 2010 Republican candidate against incumbent Democratic state comptroller Thomas DiNapoli, to expose the “grand larceny of the public fisc” in which Governor Cuomo, Comptroller DiNapoli, and their fellow Democratic and Republican public officers at the highest levels of New York's government have been engaged. This is EASY to do as they are ALL defendants in an unfolding citizen-taxpayer action whose ten causes of action particularize their FLAGRANT violations of the New York State Constitution, statutory law, caselaw, and legislative rules with respect to the legislative budget, the judiciary budget, and the executive budget. This includes the UNCONSTITUTIONALITY of Governor Cuomo's behind-closed-doors, “three-men-in-a-room” budget deal-making – the first lawsuit to ever challenge such perversion of our representative democracy.

The full record of the citizen-taxpayer action, which our non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), brought, in the public interest, on behalf of the People of the State of New York, is posted on our website, www.judgewatch.org, accessible *via* the prominent homepage link: “**CJA's Citizen-Taxpayer Actions to END NYS' Corrupt Budget 'Process' and Unconstitutional 'Three Men in a Room' Governance**”. I showed the link to your assistant Elena, as likewise, the link entitled “**OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their Road to Re-Election & Higher Office in 2017, 2018, & Beyond – WITH EVIDENCE**”.

The EVIDENCE that brings down incumbent Governor Cuomo, incumbent Comptroller DiNapoli, incumbent Attorney General Schneiderman, and ALL incumbent Senators and Assembly members running for re-election next year – and does so in one fell swoop -- is CJA's citizen-taxpayer action, suing them for corruption. This, of course, includes the state legislators whose names have surfaced, with yours, as possible Republican contenders for governor – Senate Deputy Majority Leader John DiFrancisco and Assembly Minority Leader Brian Kolb – whose corruption, in office, I can attest-to from many, many years of direct interaction with each, including as reflected in a mountain of documentary PROOF, which I can readily furnish, over and beyond what is embodied in the citizen-taxpayer record.

As another name that has bobbed up as a possible Republican contender against Governor Cuomo is Westchester County Executive Rob Astorino, who lost to Governor Cuomo in 2014 and now facing a substantial re-election challenge as county executive from Senator George Latimer, I recommend that you begin your reading of the odyssey that is CJA's citizen-taxpayer action by the summary of it presented by my attached August 10, 2017 OPEN LETTER to Reform Party Chair Curtis Sliwa about Senator Latimer's record, in office. As you can see from the below e-mail, it was transmitted to the Reform Party and to New York's seven other recognized political parties – the Republican Party, among them – and also sent to County Executive Astorino. All the substantiating proof to the August 10th OPEN LETTER, including my January 2014 correspondence to County Executive Astorino, which could have WON him the governor's race against Cuomo in the November 2014 elections– and, for the Republican ticket, an electoral sweep – is posted on CJA's webpage for the OPEN LETTER. The direct link is here: <http://www.judgewatch.org/web-pages/elections/2017/8-10-17-open-ltr.htm>.

I am available to assist you – and such lawyers and constitutional scholars as you assign to reviewing the citizen-taxpayer record, on your behalf – including by furnishing “hard copies” to facilitate review. As I am only a couple of blocks from your White Plains office, it would be especially easy for me to meet with you – and I would be most pleased to do so and to discuss the extraordinary opportunity you have to “fix the broken organization” that is New York State.

With appreciation and patriotism,

I am available to answer questions, under oath, and to assist you to the max, toward what should be our common goal of open, honest, fiscally-responsible, responsive, and accountable government, such as we do NOT remotely have on the state level... You can change that!
