Subject: GOOD NEWS! -- You can EASILY defeat Assemblyman Barclay -- & demonstrate your fitness for public service

TO: 120th Assembly District Candidate Gail Tosh (D)

I can help you win! Assemblyman Barclay – who is the stipend-receiving Assembly Minority Leader -- cannot be re-elected because he must be indicted -- and will be convicted -- for fraud, larceny, and other corruption pertaining to his OWN legislative salary and the Legislature's OWN budget, on EVIDENCE that is *prima facie* and open-and-shut.

As the 120th Assembly District embraces parts of Jefferson, Onondaga, and Oswego Counties, I filed materially-identical, FULLY-DOCUMENTED public corruption/grand jury complaints against Assemblyman Barclay with the district attorneys of each of those three counties, which they are ALL "sitting on".

I have already sent you e-mails with the Onondaga County and Jefferson County complaints. They and the Oswego complaint are posted on this webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/da-complaints-to-soares-plus-61-more.htm>. The substantiating evidentiary webpage is here: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

If you make the complaints your campaign issue, you will win – EASILY and without money. As candidates, you have a "bully pulpit". Individually and collectively, stand up for honest and accountable government: publicly call on Assemblyman Barclay to respond to the complaints – which I furnished him-- publicly call upon the three district attorneys to explain why they have not presented the complaints to the grand juries of their counties, and publicly call upon the press to do its part and investigate and report. Also announce, publicly, that, if elected, you will not take the \$30,500 pay-raise procured through the December 10, 2018 report of the Committee on Legislative and Executive Compensation, because the report is a "false instrument", violative of penal laws – and publicly commit that you will ensure: (1) public findings of fact and conclusions of law with respect to the complaints; (2) prosecution of all culpable public officers and their conspirators; and (3) "claw-backs" to recover the approximately half a billion dollars in fraudulent salary increases, already paid out.

I am available to answer your questions – and to provide you with a wealth of further details and documents pertaining to my contact with Assemblyman Barclay

Thank you.
