**Subject:** GOOD NEWS! -- You can EASILY defeat Assemblywoman Byrnes -- & demonstrate your fitness for public service

### **TO: 133<sup>rd</sup> Assembly District Candidate ChaRon Sattler-Leblanc (D, WF)**

I can help you win! Assemblywoman Byrnes cannot be re-elected because she must be indicted -- and will be convicted -- for fraud, larceny, and other corruption pertaining to her OWN legislative salary and the Legislature's OWN budget, on EVIDENCE that is *prima facie* and open-and-shut.

As the 133<sup>rd</sup> Assembly District embraces all of Livingston County and parts of Monroe and Steuben Counties, I filed materially-identical, FULLY-DOCUMENTED public corruption/grand jury complaints against Assemblywoman Byrnes with the district attorneys of each of those three counties, which they are ALL "sitting on".

I have already sent you an e-mail with the Monroe County complaint. It and the other complaints are posted on this webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/da-complaints-to-soares-plus-61-more.htm>. The substantiating evidentiary webpage is here: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

**If you make the complaints your campaign issue, you will win – EASILY and without money. As a candidate, you have a "bully pulpit". Stand up for honest and accountable government: publicly call on Assemblywoman Byrnes to respond to the complaints – which I furnished her-- publicly call upon the three district attorneys to explain why they have not presented the complaints to the grand juries of their counties, and publicly call upon the press to do its part and investigate and report. Also announce, publicly, that, if elected, you will not take the \$30,500 pay-raise procured through the December 10, 2018 report of the Committee on Legislative and Executive Compensation, because the report is a "false instrument", violative of penal laws – and publicly commit that you will ensure: (1) public findings of fact and conclusions of law with respect to the complaints; (2) prosecution of all culpable public officers and their conspirators; and (3) "claw-backs" to recover the approximately half a billion dollars in fraudulent salary increases, already paid out.**

I am available to answer your questions – and to provide you with further details and documents.

Thank you.
