Subject: GOOD NEWS! You have an open-&-shut public corruption issue that will WIN you election -- & demonstrate your fitness for public service
Attachments: greene-6-24-20-complaint-stanzione.pdf; greene-signature.pdf; greene-7-31-20-da-foil.pdf

TO: NON-INCUMBENT CANDIDATES FOR GREENE COUNTY STATE SENATE & ASSEMBLY SEATS

SD-46: Michelle Hinchey (D, WF); Richard Amedure (R, C, I); Robert Alft (G)

AD-102: Betsy Kraat (D)

This is to alert you to GOOD NEWS. You can win election easily and without money the state legislative seats you seek. All it requires is using the "bully-pulpit" of your candidacy to whistle-blow about the above-attached FULLY-DOCUMENTED public corruption/grand jury complaint against Greene County's two state legislators – one being re-election-seeking Assemblyman Tague -- which Greene County District Attorney Stanzione has been "sitting on". The complaint establishes, with EVIDENCE, that they both must be indicted on EVIDENCE so *prima facie* and open-and-shut as to assure convictions.

Greene County's press has known about the complaint for some time – and illustrative is the below September 17th e-mail to its "local journalism", to which Assemblyman Tague, retiring Senator Amedore, and D.A. Stanzione were cc'd so that they could be ready for press inquiries. Individually and collectively, if you stand up for honest, accountable government and make the complaint your campaign issue, you will win – easily. Demand that complained-against Assemblyman Tague and Senator Amedore respond to the complaint, that D.A. Stanzione explain why he has not presented it to a Greene County grand jury, and that the press do its part to investigate and report.

I am available to answer your questions – and invite you to call me.

Needless to say, voters are entitled to know from you what salary you expect to be paid, if you were to be elected to the Legislature – and whether you will commit to ensuring: (1) public findings of fact and conclusions of law with respect to the complaint; (2) prosecution of all culpable public officers and their conspirators; and (3) "claw-backs" to recover the approximately half-a-billion dollars in fraudulent salary increases, already paid out. Please advise.

Thank you.
