**Subject: Waiver of Bar Association of Erie County ("BAEC") Judiciary Committee Confidentiality**

Ms. Sassower - Thank you for speaking with me yesterday and providing all the Center for Judicial Accountability information. This will confirm that you agreed that your name may be referred to in questioning Michael Morris when he appears before the BAEC Judiciary Committee where he is seeking a BAEC rating for his candidacy for New York State Supreme Court. I would appreciate you confirming this waiver by return email. Thank you again for your assistance and in advance for your responding to this email. Regards. - Jim Harrington
