**Subject:** **Winning your D.A. race against Alvin Bragg!**

Dear Maud,

I was so pleased to have had the opportunity to meet you last evening at the West Side Republican Club – and to have briefly spoken with you about the politically-explosive grand jury/public corruption complaints I filed with D.A. Bragg, rooted in his complicity as a high-ranking deputy of AG Schneiderman and then AG Underwood in corrupting the judicial process to prevent lawful adjudication of the ten corruption-eradicating causes of action of the monumental citizen-taxpayer action [CJA v. Cuomo, et al.](#).

As I stated, the materials I furnished you, which I had printed from CJA's website, [www.judgewatch.org](http://www.judgewatch.org), are best viewed from the website, as you can there access the substantiating evidentiary hyperlinks. So that you don't have to hunt for what I handed you, here are the direct links:

The three webpages: (1) [CJA's Election 2025 Webpage for D.A. Bragg](#);  
(2) [CJA's JUNE 4, 2021 MESSAGE TO MR. TRUMP](#);  
(3) [CJA's April 3, 2023 MESSAGE TO MR. TRUMP](#).

The four documents: (1) [CJA's June 9, 2020 grand jury/public corruption complaint to D.A. Vance](#);  
(2) [CJA's July 29, 2020 FOIL request to D.A. Vance](#);  
(3) [CJA's July 18, 2024 NOTICE & grand jury/public corruption complaint to D.A. Bragg & NYS' 61 other D.A.s](#);  
(4) [CJA's March 3, 2025 grand jury/public corruption complaint to D.A. Bragg & 4 other D.A.s](#).

The EVIDENCE furnished by these primary-source materials impacts, dramatically, on this year's electoral races, especially in New York City – for NYC mayor, NYC public advocate, Manhattan borough president, NYC council seats, Brooklyn D.A., and, of courses, Manhattan D.A. You can glimpse this from CJA's webpages for these races that I created, accessible from the first prominent center link on CJA's homepage: "[ELECTIONS 2025 -- INFORMING THE VOTERS ALERT: Corrupt candidates & incumbents are on the ballot](#)".

I look forward to answering your questions – and, just as importantly, to discussing with you the strategy decisions I must make, such as providing [Patrick Timmins](#), who is seeking to challenge Bragg in a Democratic primary, with the same materials as I furnished you. I will hold off contacting Mr. Timmins until Friday morning – and would appreciate your calling me before then, no matter how late or early.

Thank you.

Elena  
914-421-1200

P.S. I suggest you add an e-mail address to your [D.A. campaign website](#) – and your [D.A. campaign facebook page](#). Doing a google search, I found [this](#), which I hope will reach you and to which I will alert you by a facebook message.
