**TO:** [Bronx D.A. Candidate Tess Cohen](#)

I am director and co-founder of the non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), based in White Plains, and have direct, first-hand experience with D.A. Clark germane to your candidacy for Bronx D.A. – and your “Platform” “[Holding Powerful People Accountable](#)”, pledging to “Take on public corruption” and “invest heavily in the public corruption unit to ensure that all people—including public officials—who abuse their power in the Bronx are held responsible” and, additionally, “[Restore Integrity and Trust in DA’s Office](#)”.

You can WIN, easily & without money, by using the bully-pulpit of your candidacy to “whistle-blow” about D.A. Clark’s corruption, in office, with respect to BOTH these powerful “Platform” issues.

For immediate purposes, above-attached and [here-linked is my July 29, 2020 FOIL request to D.A. Clark’s FOIL/records access officer](#) entitled:

“(1) the functioning of the Bronx County district attorney's office and performance of its duties with respect to corruption complaints filed by members of the public; (2) access to the Bronx County grand jury so that it can discharge its duty pursuant to Article I, §6 of the New York State Constitution & Criminal Procedure Law Article 190, unobstructed by the Bronx district attorney”,

which I also sent to D.A. Clark – to which the SOLE response I received was this [July 29, 2020 e-mail acknowledgment](#).

Please call me, following your review, so that I can furnish you with the further details and correspondence.

Thank you.
