I am director and co-founder of the non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), based in White Plains, and have direct, first-hand experience with D.A. Katz.

You can WIN, easily & without money, by using the bully-pulpit of your candidacy to "whistle-blow" about D.A. Katz's corruption, in office, with respect to her handling of public corruption complaints and her duties under the NYS Constitution and Penal Law.

For immediate purposes, above-attached and [here-linked is my July 29, 2020 FOIL request to D.A. Katz's FOIL/records access officer](#) entitled:

"(1) the functioning of the Queens County district attorney's office and performance of its duties with respect to corruption complaints filed by members of the public; (2) access to the Queens County grand jury so that it can discharge its duty pursuant to Article I, §6 of the New York State Constitution & Criminal Procedure Law Article 190, unobstructed by the Queens district attorney",

which I also sent to D.A. Katz – to which I received no response.

Please call me, following your review, so that I can furnish you with the further details and correspondence – and so that you can appropriately expand your campaign website to reflect the D.A.'s essential "public integrity" function – and the priority that you will be giving to it.

Thank you.
