Dear Mr. Sassower:

Your letters dated May 7 and May 14, 2012 to the Grievance Committee for the Ninth Judicial District have been forwarded to the Clerk of the Court and referred to me for this response.

Your letters fail to state a complaint of professional misconduct against any attorney within the jurisdiction of the Second Judicial Department. Accordingly, the Court and its Grievance Committees are unable to assist you. This determination does not preclude you from pursuing any legal remedies that may be available.

Please be guided accordingly.

Very truly yours,

A handwritten signature in blue ink that reads "Robert P. Guido".
