Re: File #I-12962/12

Dear Mr. Casella,

1. Your letter of February 23, 2012 to Acting Presiding Justice *William F. Mastro* indicates that you mailed him a copy of an Opinion & Order dated February 23, 1987. By return mail, please send me a copy of same & everything else you sent him, but not me!

2. You also referred Acting Presiding Justice *William F. Mastro* to a “LEXIS/NEXIS and/or WESTLAW legal databases”, which is available to him, and which I do not have. Please provide me with a print-out, by return mail.

3. In opposition to my application, you also state that my former wife was suspended on June 14, 1991. I would appreciate a copy of that Order, a copy of your report, requesting this prosecution and its authorization, and copies of her “lengthy post decisional history”.

Very truly yours,

GEORGE SASSOWER
