Complaint T-965-85

Dear Mr. Straus,

1. I acknowledge your letter of December 18, 1985, but do not understand whether you have declined my complaint against myself made on behalf of Hon. Eugene H. Nickerson because (1) I am presently not within your geographical jurisdiction; (2) there was no formal complaint made by Judge Nickerson; (3) or even if such complaint were made by Judge Nickerson, it would not constitute professional misconduct!

2a. In any event, since I will be examining the records of Kreindler & Relkin, P.C. on December 30, 1985, this may all be moot because I am certain that such examination will prove my contention and assertions concerning such records, that is unless it employs its usual dilatory and obstructionist tactics to avoid or delay such examination.

b. You may be assured that I will pursue that firm in the examination of its records Captain Ahab fashion!

3a. Furthermore, in the pending proceedings by your committee against me, the records of Kreindler & Relkin, P.C., as well as those of Feltman, Karesh & Major, Esqs., are very much in issue, and I suggest that in preparation of your case that you become familiar with them beforehand.

Dec. 20, 1985

b. If you attempt to obtain such records from those firms, I believe you will not find them uncooperative, which should prove something to you.

Very truly yours,

GEORGE SASSOWER
