Re: Sam Polur, Esq.

Dear Sir:

Pursuant to Judiciary Law §255, I would appreciate it if you would mail me a copy of (1) the "Contents of the Record" and (2) the "Committee Report", which documents were not in the files given me the last time I was at your office.

Enclosed is a copy of a letter of April 13, 1994 by Richard M. Maltz, Esq., which states that he inspected the file and found the documents therein and were open for inspection.

Enclose find check (no. 2056), in blank, for not more than \$30.00. If the charge is greater, please advise and I will forward same to you.

Very truly yours,

GEORGE SASSOWER
