Dear Jonathan,

Enclose is a copy of my letter to the Governor of this date, with enclosure.

How many times in the career of a journalist or a lawyer does one come across a case of a conviction, where, as here, the crimes never committed?

As a journalistic, as well as a humanistic, enterprise, I would personally appreciate your aid.

I firmly believe that either media or grand jury involvement will cut the Gordian Knot and serve a trully salutary, if not compelling, purpose.

Have a Happy New Year.

Geo.
