Re: Referee Donald Diamond

Dear Mr. Chairman:

Since the Inspector General of the Office of Court Administration, William Gallagher, Esq., does not respond to correspondence, I respectfully request that Your Honor initiate such proceedings as will lead to the removal, for cause, of Referee Donald Diamond, of the Supreme Court, New York County.

The charges upon which I am prepared to submit substantial evidence include: (1) participating in the larceny of judicial trust assets; (2) plundering the assets of judicial trust assets; (3) criminal extortion; (4) intruding and "fixing" disposition of other jurists; (5) wilfully failing to file Judiciary Law §35a statements; (6) filing false orders; (7) a total and despotic usurpation of legal authority; and (8) a blithe disregard of basic legal principles in order to advance a criminal racketeering adventure.

This communication, as has been my prior communications, is being made the subject of media and other public interest distribution.

Most Respectfully,

GEORGE SASSOWER

cc: William Gallagher, Esq.  
Referee Donald Diamond
