Mr. George Sassower

White Plains, New York 10603

Dear Mr. Sassower:

Reference is made to your letter of March 16th. As your letter to Judge Ross indicates, the matters to which you refer would appear to lie within the jurisdiction of the Disciplinary Committee of the Appellate Division, First Department. Beyond that, the allegations of criminal activity would seem to fall within the jurisdiction of the District Attorney of New York County.

Inasmuch as I have no jurisdiction, at this time, over the allegations asserted, I know of no action which can be taken by me.

Very truly yours,

Sol Wachtler
