Re: Puccini Clothes, Ltd.

Dear Chief Administrator,

1. Enclose please find a copy of my letter to the Office of Professional Discipline regarding Rashba & Pokart. who presume to be the accountants for Puccini Clothes, Ltd.

2. Your obligation, I insist, is to independently make a substantially similar demand.

3a. After almost seven (7) years, a proper accounting is clearly mandated (Business Corporation Law, §1216).

b. I suggest you also look at your own administrative rules!

Very truly yours,

GEORGE SASSOWER
