Re: People ex rel. Sassower v. Sheriff
Estate of F.P. Kelly
Hearing: Nov. 6, 1986

Honorable Sir:

1a. Most respectfully, I must insist, that Your Honor employ all the authority of His Office, and make every effort, to have present at the above hearing, all the court papers and documents, not 10%!

b. This is one "jellyfish that will be nailed to the wall"!

2a. There was not going to be any hearing on criminal contempt on March 7, 1978, or any other time, with me present.

b. For two (2) years, there was essentially the same scenario, when I was there, nothing was done, or the matter was adjourned.

c. When I was hospitalized, or paralyzed, or at the Court of Appeals, or at the Appellate Division, or elsewhere engaged, there was almost invariably a default!

d. The hearings of Doris L. Sassower, Esq., before Hon. Aloysius J. Melia, reveals that she had the same experience, while I was hospitalized, as affidavits, sent by certified mail were simply destroyed by Surrogate's Court!

e. Indeed, as I will demonstrate, there were times that appearances at Surrogate's Court were intentionally scheduled, when they actually knew that I would be elsewhere engaged, and could not possibly be present!

3a. "In the valley of the blind, the one eye man is king", and it is my intention, on November 6, 1986, to demonstrate to all, including the blind, not only did I not waive my constitutional right to be present, but there was absolutely no intention of holding any contempt hearing, then or anytime else, when I was, or could be present!

b. Does anyone believe, including those who still insist on the actual existence of the "tooth fairy", that Mr. Mastroianni was ready, or intended, on March 7, 1978, or any time thereafter, to testify that I "had willfully refused to turn over the books and records of the Kelly Estate"?

c. Does anyone believe, including those who still insist on the actual existence of "Mary Poppins", that Mr. Berger was ready, or intended, on March 7, 1978, to testify that I "had willfully refused to turn over the books and records of the Kelly Estate"?

4. It is now I, who desire a hearing, rather than a summary disposition, so that all can judge who are the "frivolous litigators"!

5a. My adversaries, the "judicial plunderers" in Suffolk and New York Counties, have what they always tried to obtain. Having cleaned out my childrens' bank accounts, I filed a petition in bankruptcy today (copy enclosed).

b. I did not have, nor do I have, the resources of my adversaries, to engage in frivolous litigation over a period of ten (10) years!

c. I will be present on the 6th, even if I have to walk on water, because of lack of funds to pay the bridge toll!

d. The ship may go down, but the flag will never be struck!

6. I can assure Your Honor that had there been assessed against me, all or any part of the more than \$70,000 which Mr. Mastroianni's attorneys sought, rather than "zilch", I would have paid it, even if I had to "scrub floors". I did not zealously defend myself as an academic exercise!

Respectfully,

GEORGE SASSOWER
