October 29, 1984

Robert M. Calica, Esq.
Reisman, Peirez & Reisman, Esqs.
1301 Franklin Avenue,
Garden City, New York, 11530

Dear Mr. Calica,

This is to confirm the comprehensive telephonic agreement reached this morning.

1a. The motion by Doris L. Sassower and Carey A. Sassower, for summary relief, presently returnable in Supreme Court, Westchester County, for November 2, 1984, will be adjourned by consent to November 16, 1984.

b. I will have in hand any opposing papers or cross-motion that you may desire to make by November 9, 1984.

2a. My motion for summary and other relief before Hon. Gerard L. Goettel, in the United States District Court, Southern District of New York, will also be adjourned to November 16, 1984.

b. As of today's mail, I have not received your opposing papers, but I assume they will arrive in due course.

3a. Our motions pending in Special Term Part I, Supreme Court, New York County will also be adjourned from November 2, 1984 to November 16, 1984.

b. Although no problem is anticipated, in the event the Justice Presiding will not adjourn the matter or have same submitted with all papers by November 16, 1984, we will have said motion marked "off calendar" and each of us will have the authority to sign the others name to a stipulation restoring same to the calendar for November 16, 1984.

October 29, 1984

c. In the interim, inquiry will be made of Hon. Martin B. Stecher as to whether His Honor desires such motions and cross-motions referred to him from Special I.

4a. We both respectfully request that Hon. Jacob Mishler, of the United States District Court, Eastern District of New York, give kind consideration to the manifest intent to this agreement in the motions presently sub judice before His Honor.

b. Insofar as the motions before Hon. Jacob Mishler are concerned, the intent is to permit each party to submit to His Honor copies of affidavits and documents submitted to the other courts which may be relevant to the motions pending before His Honor.

Very truly yours,

GEORGE SASSOWER

GS/h
