Re: Sassower v. Signorelli et al.  
84 Civ. 2989 [JM]  
(and related actions.)

Honorable Sir:

1. I am in receipt of a copy of a letter of Robert M. Calica, Esq. requesting a "ten day extension of time", in which I have no objection.

2. On the contrary, I join in Mr. Calica's request, since I believe all the Signorelli related motions and issues should be simultaneously considered, with the possible exception of a pre-submission conference in order to resolve the most appropriate method of handling His Honor's transactional involvement in this matter resulting from the March 1978 conference.

Most respectfully,

GEORGE SASSOWER
