Re: Sassower v. Signorelli et al.
84 Civ. 2989 [JM]

Honorable Sir:

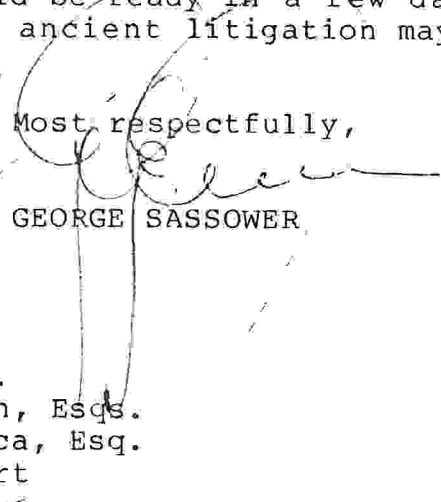

1. Enclose please find a courtesy copy of my affidavit, setting forth my version of the events of March 17, 1978.

2. I totally reject the assertions made by my former adversary, Erick F. Larsen, Esq., in his recent examination before trial on September 18, 1984, as more fully set forth in my affidavit.

3. Since I believe Your Honor's comments are relevant and significant in my summary judgment motion pending before Hon. Gerard L. Goettel, I respectfully request a conference for that purpose.

4. Anticipating that Your Honor will grant the Suffolk County Attorney's request for an extension of time, I am preparing my own motion for summary judgment before Your Honor, which should be ready in a few days, so that a great deal of the ancient litigation may be simultaneously determined.

Most respectfully,

GEORGE SASSOWER
