Re: Sassower v. Signorelli et el.

84 Civ. 2989 [JM]

78 Civ. 124 [JM]

77 Civ. 1447 [JM]

Honorable Sir:

I have prepared, ready to submit, my opposing affidavit to the Attorney General's fee request, returnable January 18, 1985.

From a telephone conversation with the Suffolk County Attorney's Office I have been advised that a similar motion-application will be shortly forthcoming from that office.

I assume the Court's preference would be that one set of opposing papers be presented, rather than two, with some needless repetition.

I would therefore respectfully request that the above motion by the Attorney General be adjourned to the return date included by the Suffolk County Attorney in its papers.

Unless objection is made or I hear to the contrary, may I assume that such request is granted?

Respectfully,

  
GEORGE SASSOWER
