Re: George Sassower, Plaintiff v.  
Vincent G. Berger, Jr., et al, Defendants  
86 Civ. 3797 (JM)  
Motion Calendar : March 27, 1987

Honorable Sir:

We are the attorneys for defendants Anthony Mastroianni, Richard C. Cahn, Robert M. Calica, Vincent Berger, Jr., Martin B. Ashare, the County of Suffolk and the Sheriff of Suffolk County.

Presently pending before your Honor is a motion by plaintiff for injunctive relief, and separate motions by defendants for summary judgment dismissing the complaint. The motions were all submitted on or about December 1, 1986.

Plaintiff has now moved for an order removing this proceeding to a venue outside the Second Circuit, and for other relief, some of which relief was requested in plaintiff's still pending summary judgment motion. Because we believe that a determination of the prior pending motions will moot plaintiff's present motion, we have not submitted formal opposition papers.

We respectfully request that your Honor treat this letter as opposition to plaintiff's motion returnable March 27, 1987. If the court requires formal opposition papers, we respectfully request that your chambers so notify us, and that

we be granted additional time in which to furnish the court  
with such papers.

Respectfully,

REISMAN, PEIREZ, REISMAN & CALICA
