IN FORMA PAUPERIS AFFIDAVIT
x-----x

I, GEORGE SASSOWER, in support of my motion to proceed, on this Petition for a Writ of Certiorari, without being required to prepay fees, costs or give security therefor, state that because of poverty I am unable to pay the costs of said proceeding or to give security therefor; that I am entitled to redress; and that the issues which I desire to present are set forth in my accompanying Petition for a Writ of Certiorari, being simultaneously filed.

I further affirm that the responses which I have made to the questions and instructions below relating to my ability to pay the cost or prosecuting the appeal are true.

I further affirm that in the event my Rule 44 motion in Sassower v. Politan is granted insofar as it relates to PUCCINI CLOTHES, LTD., I will then, after the lapse of a reasonable time, be able to pay such fees as are required by the rules of this Honorable Court and will pay same or if my Rule 44 motion is granted in Sassower v. Feltman, I will then, be able to pay the fees due this Court.

In forma pauperis relief was not an issue, insofar as the contempt proceedings were concerned, and none had to be paid by your affirmant.

1Q. Are you presently employed?

A. I am not presently employed. Except for a few years after World War II, I have always been self-employed. The date of my last employment was about forty (40) years ago at which time I received about one hundred thirty dollars (\$130) per month.

2Q. Have you received within the past twelve months any income from a business, profession or other form of self-employment, or in the form of rent payments, interest, dividends, or other source?

A. The date of my last income was from self-employment and was in or about October of 1988. The gross amount from such self-employment averaged about \$500 per month during the preceding year. Except for social security payments of \$332.00 per month, which I am now receiving, I have received no other income.

3Q. Do you own any cash or checking or savings accounts?

A. The amount of cash that I have on hand is nil, I have no savings accounts. In my checking account, which is supposed to last me until my social security check next month, I have about \$90. As against such minimal liquid assets I have substantial liabilities, all legitimately and reasonably incurred.

40. Do you own any real estate, stocks, bonds, notes, automobiles, or other valuable property (excluding ordinary household furnishings and clothing).

A. None, except for monies due me pursuant to a judgment and various claims, liquid and unliquidated, which I am unable to collect for reasons set forth in my Rule 44 motions in related proceedings.

50. List the persons who are dependent upon you for support and state your relationship to those persons.

A. My youngest daughter, Lizbeth A. Sassower, but I am not supporting her because of my present financial situation.

I understand that a false statement in this affirmation will subject me to penalties for perjury.

GEORGE SASSOWER
