Clerk, Supreme Court of the U.S.

Re: William P. Barr and Kenneth W. Starr
Rule 8.2

Dear Mr. Suter,

I received returned today, for the second time, without explanation, my above petition dated May 18, 1992.

I request the formal processing of same since, under any standard, the charges, professionally and otherwise, are serious, and must be addressed by the above and the Court.

I prepared my 8.2 complaint in the manner that your office explained, in a general manner, it should be prepared and submitted.

If there is any specific deficiency, in form or substance, I would appreciate your advise on same.

I am also returning my letter of May 23, 1992, which were received with my papers.

Most Respectfully,

GEORGE SASSOWER
