Petitioner-Appellant,

Docket No.

91-

x-----x
PETITION FOR A WRIT OF CERTIORARI
TO THE CIRCUIT COURT OF APPEALS FOR THE
SIXTH CIRCUIT

PETITIONER'S MOTION
x-----x

This affirmation, made under the penalty of perjury, is made in support of a motion to compel the CIRCUIT COURT OF APPEALS FOR THE SIXTH CIRCUIT to issue an Order on affirmant's motion of March 23, 1992 which requests:

"a (1) a 28 U.S.C. §1254(2) Certification, and (2) a stay, pursuant to Rule 8 of the Federal Rules of Appellate Procedure and Rule 23 of the Rules of the United States Supreme Court."

Pending in this Court is affirmant's stay application of May 23, 1992 wherein Rule 23.3 cannot be fully complied with because the Sixth Circuit Court has not determined the aforementioned unopposed motion in almost three (3) months since it was made.

As stated by affirmant in his unopposed motion:

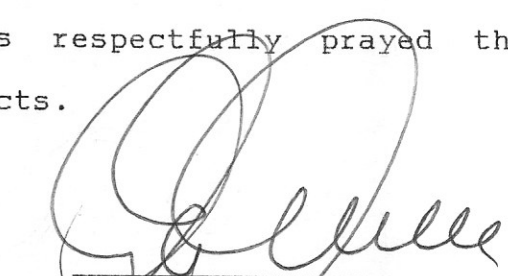

"The Bottom Line -- At no time at no place have the respondents, or anyone else, every asserted or implied that their actions or conduct were lawful, or that they were not defrauding the purse of the United States."

Obviously, the high-echelon members of the Department of Justice, including the Attorney General of the United States, Hon. WILLIAM P. BARR, and members of the judiciary believe that an emolument of their office is the right to defraud the federal purse.

Affirmant, and probably the American taxpayer, believe otherwise.

WHEREFORE, it is respectfully prayed that this motion be granted, in all respects.
