MOTION/APPLICATION FOR A MANDATORY STAY/INJUNCTION
and
RECUSAL APPLICATION OF ASSOCIATE JUSTICE CLARENCE THOMAS

GEORGE SASSOWER
Petitioner, pro se
16 Lake Street
White Plains, NY 10603
914-949-2169

Petitioner moves this Court for a:

Mandatory stay/injunction to compel the U.S.
Circuit Court of Appeals for the Second Circuit to provide
petitioner with a forum where he can liquidate his contractually
based, constitutionally protected, money judgment (Exhibit "A")-
- which, with interest, now amount to about \$60,000 --- so that
petitioner can, inter alia, (a) pay the filing fees due this,
and other courts, and not proceed in forma pauperis; (b) pay for
the printing and Xerox expenses for a proper presentation to this

Court for a Writ of Certiorari; and (c) terminate petitioner's government "food stamp" assistance and his semi-poverty existence.

1. This is one of three (3), interrelated and simultaneously submitted, applications for substantially the same relief, and which are marked by brevity.

2a. Petitioner has very substantial assets, including those of a contractual nature and constitutionally protected (Article 1 §10[1], Amendment V of the U.S. Constitution), of which this judgment is only one.

b. However, petitioner for refusing to involve himself, resisting, and exposing judicial racketeering activities, is denied access to the courts, state and federal, all by non-due process edicts, except by permission, invariable denied.

3a. Petitioner is an born American citizen and battle-starred veteran of World War II, who simply will not forfeit his First Amendment rights and societal responsibilities by any desired silence on the subject of judicial corruption.

b. Petitioner has legitimate Article III, federal cases and controversies, and is entitled to a federal forum to vindicate same.

4a. Leave to appeal from a denial of leave to file and prosecute, was received by the Circuit Court on August 24, 1992, and denied nine (9) months later, on May 13, 1993 (Exhibit "B").

b. An, inter alia, Rule 23.3 stay was received by the Circuit Court on August 24, 1992, and also denied nine (9) months later on May 14, 1993 (Exhibit "C").

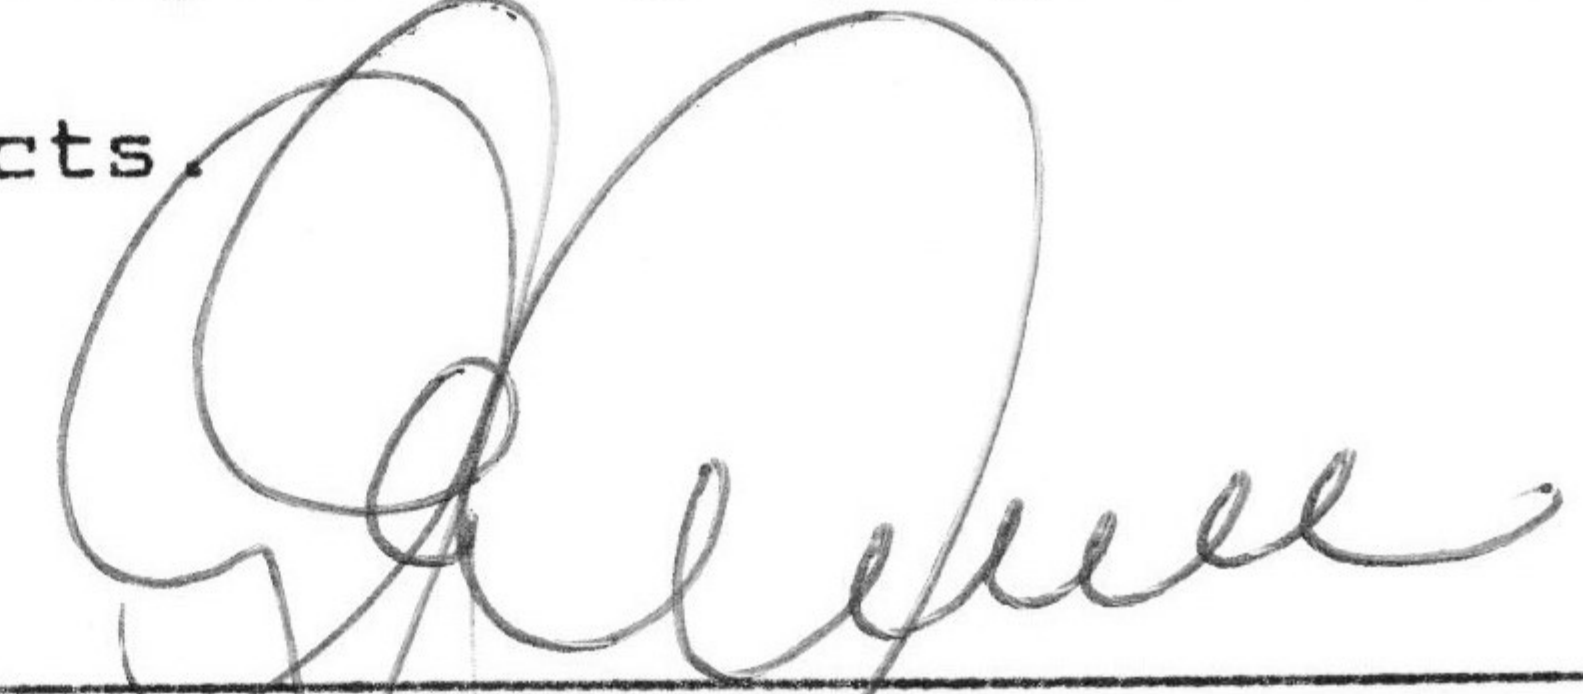

5a. The transactional involvement of Associate Justice CLARENCE THOMAS appears on a simultaneously submitted application, and is not repeated herein.

b. Recusal, at this point, is only requested on one-judge determinations.

6. The aforementioned is stated to be true under penalty of perjury.

WHEREFORE, it is respectfully prayed that this application be granted in all respects.

Dated: May 27, 1993
