[redacted] 4/19/44

Dearest Folks,

Another day passed, day nearer the day! victory, but not a day wasted but rather a day to remember, [redacted] better than anyone. Let me believe the same goes. For the life here there is nothing like living in the country during spring, the combination of spring blossoms the warm days of spring is really something.

I wanted a while to tell about the most amusing [redacted] experience from Camp to camp by good old Army [redacted] than it seems I can't, but you can't read this anyway also is good. better than anything we had in the States most of the time is delightful is well & the meals is not delightful & the water rummy. Probably will get hungry for some delicacy and spendages with [redacted] some of my best delights [redacted]
