Re: Complaint of Donald F. Schneider, Esq.
Docket No.: K-671-84

Dear Mr. Sassower:

In your letter of January 28, 1985 you appear to indicate, in your opinion, that you are not permitted to respond to the allegations contained in this complaint. You have provided what purports to be an excerpt of that order which you contend operates as a bar. As the document which you submitted is neither complete nor signed, you are requested to immediately provide a true copy of the order upon which you rely.

You are again reminded that an unexcused failure to reply to the complaint constitutes "professional misconduct" independent of the merits of the complaint and will be treated accordingly by the Committee.

Very truly yours,

Robert H. Straus,
Chief Counsel

RHS/pr

Jan. 30, 1985 - There is no way for me to properly respond without violating the Order mentioned. If "wisdom is the ability to find alternatives", I suggest that you ask the complainant for the information you request.

Respectfully,
