Re: Grievance Committee v. G. Sassower

Dear Mr. Straus,

1a. Enclosed please find a copy of the Notice of Motion in Barr v. Raffe, returnable January 3, 1986 to compel Kreindler & Relkin, P.C. to submit to an examination before trial.

b. I told you Kreindler & Relkin, P.C. would find some excuse not to voluntarily submit to such examination before trial!

2a. For your preparation, I suggest you obtain a copy of same, for I can assure you your entire case goes up in smoke once it is produced, and it will be produced!

b. Kreindler & Relkin, P.C. might be lawyers, but it is filled with criminals, particularly Donald Relkin, Esq. and Michael J. Gerstein, Esq.

3. I have no reason to fear full disclosure prior to being directed by any Referee that the Court might appoint!

Very truly yours,

GEORGE SASSOWER
