Raises are not needed. As mentioned in the article, there are qualified people applying to become a judge. The thought that more money would attract better people is ridiculous.

There's a BIG story here, not reported by the Democrat & Chronicle. As Senate Judiciary Committee Chairman Bonacic knows -- but conceals -- there can be NO pay raises for NY judges until there is an investigation of the testimony & evidence of systemic judicial corruption, involving the Commission on Judicial Conduct, which more than 2 dozen New Yorkers presented to the Senate Judiciary Committee at hearings in 2009 -- as to which, to date, there has been NO INVESTIGATION, NO FINDINGS, & NO COMMITTEE REPORT. Full details are on the website of the non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA) -- www.judgewatch.org -- on the webpage accessible via the top panel "Latest News". Start with CJA's May 23rd letter to our governmental leaders, sent to Chairman Bonacic expressly so that he could identify to those leaders & to the Judicial Compensation Commission what he intended to do with the testimony and documents pertaining to judicial corruption that the public had presented and proffered to the Senate Judiciary Committee in connection with those 2009 hearings.

CJA is spearheading a People's Taxpayer Coalition Against Pay Raises for NY judges. Won't you join us?. Contact us at cja@judgewatch.org or call 718-708-5303.
