RE: *John McFadden v. Elena Sassower*, #SP-1502/07  
My April 23, 2009 Motion to Settle November 16, 2007 Transcript  
Appellate Term #2008-1428-WC; #2008-1433-WC

FILED CITY COURT OF  
WHITE PLAINS, N.Y.  
2009 AUG 19 P 2:52

Dear Judge Friia:

On April 23, 2009, I filed a motion to settle the transcript of the November 16, 2007 proceeding before you in the above-entitled case. The motion, returnable May 4, 2009, was unopposed.

To date, I have received no decision. Nor has the Appellate Term Clerk's Office received the settled November 16, 2007 transcript, according to Senior Clerk Julio Mejia.

Pursuant to CPLR §2219(a), it would appear that your decision was due "within sixty days after the motion is submitted for decision". It is now more than one hundred days since the May 4, 2009 return date.

Please advise.

Very truly yours,

ELENA RUTH SASSOWER, *Pro Se*
