Re: **Sassower v. Gannett**

Dear Ms. Sassower:

As I mentioned when I gave you the last extension to serve a complaint, we consider this claim to be frivolous, and for that reason cannot give you any further time. You have had a substantial amount of time since you first served the summons within which to serve a complaint. I don't think it appropriate to drag this matter out.

Very truly yours,

Robert M. Callagy

RMC/mc
