Dear Ms. Royle:

Following my phone call to you earlier this afternoon, in which you stated a belief that Journal News Editor & Vice President for News, Henry Freeman, had communicated with me, this is to reiterate that I have received NO response from him or anyone else at The Journal News to my analysis-supported July 14, 2009 letter to you for a retraction of The Journal News' knowingly false and defamatory May 6, 2009 article and for a journalistic expose of the issues of legitimate public concern the article purposefully concealed. The indicated recipients of my July 14, 2009 letter were Assistant Metro Editor D. Scott Faubel, Deputy Managing Editor Bob Fredericks, and reporter Keith Eddings.

Indeed, I also received no response to my faxed, e-mailed, and hand-delivered August 18, 2009 letter to you advising that I had received no response to my July 14, 2009 letter – copies of which I sent to Messrs Faubel, Fredericks, and Eddings.

Copies of both these letters are enclosed.

Voters must be IMMEDIATELY informed of the true facts and important issues suppressed by the May 6, 2009 article so that they can intelligently cast their votes for Mayor & Common council in the upcoming election, now only a week away. Likewise, The Journal News' editorial board must be informed so that its editorial endorsements may alert voters to the flagrant betrayal of public trust and responsibilities by Common Council members seeking re-election and mayoral office.

Please confirm that CJA's correspondence with the Mayor, Common Council & Corporation Counsel, annexed to my July 14, 2009 letter as Exhibits B, C, D, E, & F, will be IMMEDIATELY brought to the attention of The Journal News' editorial board and reporters and columnists handling election coverage, whose identifies I additionally request.

As in the past, I and CJA's President & Co-Founder, Doris L. Sassower, are ready to assist The Journal News in discharging its First Amendment obligations to the public. For your convenience, CJA's website, [www.judgewatch.org](http://www.judgewatch.org), posts the relevant primary-source documents, accessible via the top panel "Latest News", featuring a heading "Welcoming Sunshine!", linking to a webpage for "The Corrupt Judicial Appointment Process to White Plains City Court".

Thank you.
