### **TO: 2019 Commission on Legislative, Judicial & Executive Compensation**

To assist the Commission in substantiating the accuracy of my EVIDENCE-based testimony at yesterday's public hearing concerning the fraud, statutory violations, and unconstitutionality of the August 29, 2011 report of the Commission on Judicial Compensation and the December 24, 2015 report of the Commission on Legislative, Judicial & Executive Compensation – on which all other witnesses at yesterday's hearing would have you rely – attached is an inventory of the EVIDENCE I furnished to the prior "force of law" Compensation Commissions/Committee, to be recovered by you.

I am available to answer any questions about the foregoing or anything else – including under oath. More to follow.

Thank you.
