I have received no response to my below February 7th e-mail. Nor has my timely-submitted written testimony for the February 4th budget hearing on "local government officials/general government" been posted on your Senate and Assembly webpages for the hearing. Why is that?

Please confirm that it will be posted – and that it has been furnished to ALL committee members.

Thank you.

As required by your [rules](#), I e-mailed my written testimony for the Legislature's February 4, 2025 budget hearing on "local government officials/general government" before 5 pm on that date, sending it by the below e-mail at 4:36 pm – and [then again](#) at 7:32 am the next morning to correct a typo.

However, my written testimony is NOT posted on the [Senate's webpage for the hearing](#) and also NOT posted on the [Assembly's webpage for the hearing](#). Why is that?

Please confirm that my written testimony will be posted, as my February 4th e-mail expressly requested and, additionally, that it has been furnished to "ALL committee members", as my e-mail also expressly requested.

Thank you.
