TO: Senate Finance Committee Chair Krueger & Assembly Ways & Means Committee Chair Pretlow

As required by your [rules](#), I e-mailed my above-attached written testimony for the Legislature's February 25, 2025 budget hearing on "higher education" before 5 pm on that date. Why then is it NOT posted on the [Senate's webpage for the hearing](#) and also NOT posted on the [Assembly's webpage for the hearing](#)?

Please confirm that my written testimony for the February 25th hearing will be posted, as my below February 25th e-mail expressly requested and, additionally, that it has been furnished to "ALL committee members", as my e-mail also expressly requested.

I note that AFTER my [February 7th e-mail](#) and [February 12th e-mail](#) alerted you that my timely-submitted written testimony for the February 4th budget hearing on "local gov't officials/general government" had not been posted on the Senate and Assembly webpages, [the Senate rectified same, by posting it](#) and, thereafter, [posted my timely-submitted written testimony for the February 13th budget hearing on "public protection"](#). To date, however, the Assembly has still NOT posted them on its webpages for those two hearings, [here](#) and [here](#). Please rectify this IMMEDIATELY.

Thank you.
