Subject: **Amended FOIL: Request for copy of 1st pay check to D.A. Williams, REDACTED to remove \$ amount, but indicating the date it was issued & deposited/cashed**

Dear [Livingston County Attorney Hillier](#) –

Thank you for your prompt response. Pursuant to your below advice, please amend the first part of my FOIL request so as to furnish me with a copy of D.A. Williams' first pay check redacted to remove the amount, but indicating the date it was issued to her and deposited/cashed.

I will look forward to receiving the balance of my FOIL request for “records reflecting the yearly salary and other ‘compensation and non-salary benefits’ that D.A. Williams will be receiving”.

Thank you.

Subject: FOIL - Williams' Compensation Records

Please be advised the County has received your recent FOIL request.

Kindly note, the portion of the request seeking a copy of Ms. Williams' first paycheck is denied. While records related to a public employee's salary or gross wages are subject to public disclosure, any records reflecting the actual amount issued to that employee in any given pay period may be withheld based upon an unwarranted invasion of personal privacy. Said amount reflects what remains after a series of personal decisions, including the number of exemptions claimed and any mandatory/voluntary deductions. The figure on Ms. William's first paycheck is not an indication of her gross pay. How she chooses to spend her salary is protected private information.

The remainder of your request has been forwarded to Human Resources and a response will be forthcoming within the next twenty (20) business days.

Thank you,
Shannon L. Hillier

Thank you.
