**Subject: Today's Deadline for Public Comment on the proposed REVISED Operating Rules and Procedures of the Commission on Prosecutorial Conduct (Oct 2, 2024 State Register)**

This follows my 15-minute phone conversation at about 12:45 pm today with Assistant Shanice Helena of the Department of State's Office of General Counsel (518-474-6740), in the absence of David Treacy, who she stated handles administrative rule-making and to whom she was going to immediately communicate my message, and, additionally, my voice message at 1:15 pm for the Administrative Regulations Review Commission at the phone number, 518-455-2731, appearing in the October 2, 2024 State Register.

Among my questions was whether today's deadline for electronic submission of public comment to the Commission on Prosecutorial Conduct's revised proposed operating rules and procedures means before midnight tonight, NOT 5pm. I have received no call back.

It is now almost 4:30 pm. Unless I receive a response from you to the contrary, I assume that my e-mailing of comment before midnight tonight will be timely. In any event, your e-mailed confirmation would be appreciated.

Thank you.
