Dear Ms. Sassower,

The Commission on Prosecutorial Conduct has reviewed your Freedom of Information Law request and determined that the attached documents are responsive to your request.

The Commission has adopted its operating rules and procedures and they will go into effect on December 18, 2024. The Commission will not have a hearing on its operating rules and procedures (Judiciary Law 499-d(5) does not require a hearing).

Sincerely,

Susan Friedman
