Dear Mallory,

Thanks for the generous amount of time you gave me to furnish you with an overview.

Here's what I intend to file against the DAs of Orleans, Wyoming, and Genesee counties.

I am available, 24/7, to assist you in taking the LEAD!

Dear Ms. Sassower,

Is the lead on the state making the counties pay for the district attorneys? I was reading through your letters in the link you provided, but do you think you can explain more of the situation to me, notably why it is illegal and how it is different from the other unfunded mandates the state has? Also how does it tie into not only Orleans county, but Wyoming and Genesee counties as well, as those three counties are our coverage area.

Thank you for reaching out to me, and I hope to hear back from you soon.

Sincerely,

Mallory Diefenbach

Following up on your article: <http://www.thedailynewsonline.com/bdn01/orleans-county-petitions-filed-20160721>.

Would you be interested in the lead for a story about the 2016 elections for district attorney to be furnished to the press later this week? Here's webpage that is being built for it: <http://www.judgewatch.org/web-pages/searching-nys/budget/budget-2016-17/10-12-16-complaint-vs-soares-etc.htm>
