Dear Scott,

I am unexpectedly tied up. I am reachable by phone & e-mail throughout the weekend. Please let me know whether the Daily Gazette will be breaking this time-sensitive, election story. Needless to say, until I hear from you or others at the Daily Gazette about coverage, I will diligently pursue investigation and reporting by other media. This is what I am in the midst of doing, at present.

Thank you.

**Subject:** 6-county case study of how ALL 62 of NYS's county governments operate

Dear Scott –

In my yesterday's e-mail I stated:

“The ramifications of this story go way beyond the district attorneys in the six counties the Daily Gazette covers – and as to those counties extends to their county attorneys, county legislative boards, county executive officers, and county treasurers/comptrollers. What did they do upon receipt of my July 8, 2016 letter-notice to them? – Exhibit F to the October 14, 2016 conflict-of-interest/misconduct complaint: <http://www.judgewidth.org/web-pages/searching-nys/budget/budget-2016-17/10-14-16-complaint-vs-soares-etc.htm>. Was it the subject of ANY legislative board meeting, discussion, vote? Where are their findings of fact and conclusions of law with respect to the EVIDENCE, laid out for them by the July 8, 2016 letter-notice. How have they protected the counties' taxpayers from outright larceny of the public fisc?”

Attached are my six e-mails transmitting the July 8, 2016 letter-notice to the county attorneys and district attorneys of Albany, Fulton, Montgomery, Saratoga, Schenectady, and Schoharie counties – for distribution to all their county legislators, executive officers & treasurers/comptrollers. What findings of fact and conclusions of law did they make based upon the specified evidence, all accessible to them from CJA's webpage for the letter. Did they review the record of CJA's then-pending citizen-taxpayer action? Did they disagree with the assertion in my July 8, 2016 letter-notice (p. 4) that the posture was SUMMARY JUDGMENT for the plaintiffs?

Based thereon, did these six counties not believe they had an interest that would be affected by the subsequent citizen-taxpayer action that CJA commenced on September 2, 2016? My September 7, 2016 notice of their right to intervene,
