LETTER TO THE EDITOR –

Your endorsement of Shelley Mayer as state senator because she “has a stronger stand on the need to clean up the sewer that is the state Capitol” flies in the face of DOCUMENTARY & VIDEO EVIDENCE, establishing her to be a perpetrator and perpetuator of corruption. The EVIDENCE, going back nearly 25 years to when she was counsel to Attorney General G. Oliver Koppell – and extending to the present, her chairing of the Assembly Committee on Oversight, Analysis and Investigation, is laid out on the website of the non-partisan, non-profit citizens’ organization, Center for Judicial Accountability, here: <http://www.judgewatch.org/web-pages/elections/2018/latimer-vacant-seat.htm>.

On December 15, 2017, Assembly Speaker Heastie appointed Assemblywoman Mayer chair of the Committee on Oversight, Analysis and Investigation, presumably to give the appearance that she had some “integrity” credentials for her already-announced Senate run. Has she collected the \$12,500 stipend? That committee—the smallest, but most powerful and important of all Assembly committees -- has not met once. This, in face of Mayer’s knowledge that the state budget is “off the constitutional rails” and violates a succession of constitutional, statutory, and rule provisions to outrightly steal taxpayer dollars – including with respect to the two state commission reports raising judicial pay, as to which the Legislature has discharged NO oversight.

Here’s the webpage with the VIDEO of my 5-minute testimony before Mayer at the February 2, 2018 local forum on the state budget, where I expressly identified that she chairs the Assembly Committee on Oversight, Analysis and Investigation – and stated that she had no business running for Senate, absent her taking steps to secure investigation of the EVIDENCE presented by my testimony: <http://www.judgewatch.org/web-pages/searching-nys/2018-legislature/feb-2-2018-budget-hearing-westchester-delegation.htm>.

Nothing will “clean up the sewer that is the state Capitol” quicker than your reporting on Assemblywoman Mayer’s complete inaction with respect to that testimony. What are you waiting for? Ask Mayer about it.
