TO: ALBANY'S LEGISLATIVE CORRESPONDENTS ASSOCIATION REPORTERS

Yesterday morning I sent you an e-mail entitled "ALERT: The Senate & Assembly websites have REMOVED the 2020-21 legislative session from their search features!", which was ERRONEOUS. Below is my apologizing e-mail to the Senate & Assembly FOIL officers pertaining thereto. Please accept my apologies, as well.

NOT erroneous or in need of correction, however, are the referred-to & linked complaints that CJA filed against the legislators – and later today I will forward you an e-mail about them for inclusion on the agenda of [tomorrow's 4 pm meeting of the Assembly Judiciary Committee with its Davis Polk attorneys](#), retained – at substantial taxpayer expense -- to assist the Committee in "determining whether evidence exists to support a finding that the Governor has engaged in conduct which merits impeachment under the New York State Constitution and under the laws of the State of New York", with a direction "to examine all credible allegations".

Thank you.

TO: Senate Records Access Officer/Secretary of the Senate Alejandra Paulino, ESQ.
Assembly Records Access Officer Robin Marilla

Yesterday I sent you the below NOTICE & FOIL REQUEST, which was ERRONEOUS. I am so used to looking at successive FY budgets (FY2019-2020; FY2020-2021; FY2021-2022) that I mistook the listing of the 2-year legislative sessions (2019-2020; 2021-2022).

Please accept my apologies & the withdrawal of the NOTICE & FOIL REQUEST.

Thank you.

This is to notify you of the shocking fact that the Senate and Assembly – in an apparent attempt to conceal their collusion with Governor Cuomo in the fraud that took place with respect to the FY2020-2021 state budget and their other wilful and deliberate nonfeasance and misfeasance with respect to the 2020 legislative session – ALL the subject of public corruption/grand jury complaints that CJA filed

against the legislators with [New York's 62 district attorneys](#), with [New York's 4 U.S. attorneys](#), and with [the Joint Commission on Public Ethics \(JCOPE\) and the Legislative Ethics Commission](#) – has REMOVED the 2020-21 legislative session from the search features of their websites: <https://www.nysenate.gov/search/legislation> and <https://www.nyassembly.gov/leg/?sh=advanced>. Attached are photos.

Pursuant to Senate Rule XIV ["Freedom of Information"] and Assembly Rule VIII ["Public Access to Records"], this is to request all records establishing how such an incredible thing has happened on the Legislature's two separate websites.

Thank you.
