As propos of your yesterday's article "[Cuomo Impeachment Probe Moving Forward, Hundreds of Tips Roll In](#)" and your today's article "[Cuomo's Impeachment Inquiry Accused of Slow-Walking Its Probe](#)", have any of your sources alerted you to the below May 25th e-mail to Assembly Judiciary Committee Chair Lavine, to the 19 other members of the Assembly Judiciary Committee, and to Assembly Administrative Counsel entitled: "Emergency Action & Oversight Required: The Assembly's taxpayer-paid counsel, Davis Polk, is in breach of its contract & its publicly-made promises to safeguard vs conflicts of interest in investigating whether Gov. Cuomo committed impeachable acts". It identified that **Davis Polk already has the answer for which it was retained "whether evidence exists to support a finding that the Governor has engaged in conduct which merits impeachment under the New York State Constitution and the laws of the State of New York"**, called for the firm to be fired, *for cause*, and asked that the issue of its breach of contract, born of conflicts of interest, be placed as #1 on the agenda of the Committee's May 26th meeting. Was it? – and what are Davis Polk's answers to its questions?

Please call me about this MAJOR, MAJOR story...

Thank you.
